Top Express Limited

is an experienced and professionally driven **Customs Clearing & Forwarding company in Bangladesh**, specializing in customs clearance, forwarding, trade facilitation, and logistics coordination. With deep expertise in customs and international trade operations, we support the smooth movement of goods and help our clients navigate complex customs and trade procedures with **efficiency, transparency, and compliance**.

Our journey began in **1990** with **Shahabuddin Enterprise**, a government-approved Customs Clearing & Forwarding (C&F) Agent. Built on decades of practical experience, professional expertise, and strong business relationships, the business established a trusted presence in Bangladesh's customs and trade sector.

As part of its continued growth and corporate evolution, **Shahabuddin Enterprise transitioned from a sole proprietorship into a limited company under the name Top Express Limited**. While the business has evolved into a modern corporate structure, its core commitment to professional and dependable C&F services remains unchanged.

Today, Top Express Limited combines **more than three decades of industry experience** with modern business practices, experienced professionals, and a client-focused approach. Our success is driven by integrity, dedication, operational expertise, and a commitment to continuous improvement.

We maintain close communication with our clients to understand their requirements and deliver **prompt, precise, and reliable solutions**. Guided by quality, professionalism, and service excellence, **Top Express Limited continues to support businesses across Bangladesh with confidence, reliability, and long-term partnership**.

Top Express Limited — Experience You Can Trust. Service You Can Rely On.

Chief Executive Officer (CEO)

Mr. Md. Abdullah Al Mamun is a visionary business leader with more than 15 years of professional experience in supply chain management, trade policy, customs operations-C&F, freight forwarding, logistics, vat with taxation, compliance audit and corporate administration. Known for his strategic mindset, ethical leadership, and commitment to excellence, he has played a significant role in strengthening operational standards within Bangladesh's SCM industry.

He holds a Bachelor of Business Studies (BBS), a Master of Business Studies (MBS), and a Bachelor of Laws (LLB). He also completed the Chartered Accountancy Course Completion (CACC) at A. Wahab & Co., Chartered Accountants, under the Institute of Chartered Accountants of Bangladesh (ICAB). In addition, he earned the internationally recognized Certified Supply Chain Manager (CSCM) certification from ISCEA, USA, and CEFR C1 (Advanced) certification from IET, UK. He is also a certified Income Tax Practitioner (ITP), authorized by the National Board of Revenue (NBR), Bangladesh.

Mr. Mamun began his professional journey with Mosharaf Group, where he developed strong foundations in business operations and corporate management. His dedication, analytical skills, and leadership capabilities later led him to Walton Group in 2016. During his tenure, he served as Executive Director of Supply Chain Management and Head of C&F Operations, gaining extensive expertise in supply chain, Customs, NBR trade policy, budget, customs excise and vat and audit & compliance.

Throughout his professional tenure at Walton, Mr. Mamun received several awards and recognitions for his outstanding performance and professional excellence, particularly during his leadership roles as Executive Director and Head of Customs Clearance & Forwarding (C&F). Among these recognitions, he received the Best Performer Award in 2018 from the Internal Audit & Compliance (IAC) Department, reflecting his leadership, highlighting his dedication to operational integrity, compliance excellence, and commitment to organizational success.

Driven by more than 15 years of professional experience and expertise, Mr. Mamun brought his extensive knowledge in supply chain management, customs clearance and forwarding, logistics, trading, and business operations to the own business as Group Chief Executive Officer of Top On Group.

Under his leadership, Top On Group continues to build a strong and diversified business platform across trade, logistics, supply chain, agriculture, and fisheries. Guided by integrity, innovation, and operational excellence, he is focused on sustainable growth, technology-driven solutions, and long-term value creation.

An approachable and forward-thinking leader, Mr. Mamun is committed to continuous learning, team development, client satisfaction, and building lasting relationships with partners and stakeholders.
